INSTRUCTIONS

MAD LIBS®

INSTRUCTIONS

MAD LIBS® is a game for people who don't like games! It can be played by one, two, three, four, or forty.

• RIDICULOUSLY SIMPLE DIRECTIONS

In this tablet you will find stories containing blank spaces where words are left out. One player, the READER, selects one of these stories. The READER does not tell anyone what the story is about. Instead, he/she asks the other players, the WRITERS, to give him/her words. These words are used to fill in the blank spaces in the story.

• TO PLAY

The READER asks each WRITER in turn to call out a word—an adjective or a noun or whatever the space calls for—and uses them to fill in the blank spaces in the story. The result is a MAD LIBS® game.

When the READER then reads the completed MAD LIBS® game to the other players, they will discover that they have written a story that is fantastic, screamingly funny, shocking, silly, crazy, or just plain dumb—depending upon which words each WRITER called out.

QUICK REVIEW

In case you have forgotten what adjectives, adverbs, nouns, and verbs are, here is a quick review:

An **ADJECTIVE** describes something or somebody. *Lumpy, soft, ugly, messy, and short* are adjectives.

An **ADVERB** tells how something is done. It modifies a verb and usually ends in "ly." *Modestly, stupidly, greedily, and carefully* are adverbs.

A **NOUN** is the name of a person, place, or thing. *Sidewalk, umbrella, bridle, bathtub, and nose* are nouns.

A **VERB** is an action word. *Run, pitch, jump, and swim* are verbs. Put the verbs in past tense if the directions say **PAST TENSE**. *Ran, pitched, jumped, and swam* are verbs in the past tense.

When we ask for A **PLACE**, we mean any sort of place: a country or city (*Spain, Cleveland*) or a room (*bathroom, kitchen*).

An **EXCLAMATION** or **SILLY WORD** is any sort of funny sound, gasp, grunt, or outcry, like *Wow!, Ouch!, Whomp!, Ick!, and Gadzooks!*

When we ask for specific words, like a **NUMBER**, a **COLOR**, an **ANIMAL**, or a **PART OF THE BODY**, we mean a word that is one of those things, like *seven, blue, horse, or head*.

When we ask for a **PLURAL**, it means more than one. For example, *cat* pluralized is *cats*.

MAD LIBS® is fun to play with friends, but you can also play it by yourself! To begin with, DO NOT look at the story on the page below. Fill in the blanks on this page with the words called for. Then, using the words you have selected, fill in the blank spaces in the story.
